

Waste Wise Schools Program

Grant Guidelines and Conditions

THE WASTE WISE SCHOOLS PROGRAM

Waste Wise Schools is a program of the Waste Authority. The program supports schools in Western Australia to reduce waste to landfill by implementing the 3Rs—reduce, reuse, and recycle, while developing positive environmental values in students and the whole school community. Waste Wise Grants provide funding for waste minimisation initiatives in schools, under the *Western Australian Waste Strategy: [Creating the Right Environment](#)*.

GRANT OVERVIEW

Waste Wise grants help schools to set up projects that are embedded in the school values and therefore have a long-lasting impact on the amount of waste generated at school. The funding is offered for projects that clearly show a reduction in a school's solid waste to landfill, such as paper and cardboard, food waste and single-use packaging. These projects should also educate and encourage students and the school community to change their behaviours to reduce waste.

Our research shows that food scraps and paper account for approximately 60 per cent of the waste generated by most schools. Completing a waste audit will help identify the most common types of waste produced by your school and indicate the necessary infrastructure needed to reduce this waste going to landfill. This is an important step in planning a successful Waste Wise grant project.

Successful grant projects encourage:

- the reduction of waste
- the reuse of materials that might otherwise become waste
- the recycling of waste when it cannot be avoided or reused
- waste management initiatives and infrastructure
- a sense of student ownership of the school's waste minimisation projects
- waste minimisation practices and systems embedded in the school culture.

APPLICATION PROCESS

There are three grants available to Accredited Waste Wise schools:

1. Infrastructure grant up to \$2,200 (including GST).
2. Whole School and Community grant up to \$4,400 (including GST).
3. Waste and Sustainability grant up to \$8,800 (including GST).

Schools can apply for these grants consecutively. Only one grant at each of the three levels will be approved for individual schools.

To find out more about becoming an Accredited Waste Wise school go to the website

www.wasteauthority.wa.gov.au/programs/wws.

To apply for a Waste Wise grant you must submit:

- A completed application form signed by the applicant and school principal
- A detailed and accurate budget. You will only receive the exact amount of funding requested for your project if approved.
- Evidence will vary for each grant amount so please check the [Grants Criteria](#) table for details.

All applications will be assessed in rounds. Due dates for these rounds will be publicised to schools via email and on the Waste Wise Schools website:

www.wasteauthority.wa.gov.au/programs/wws/grantswws .

The Waste Wise grant committee assesses each application according to the grant guidelines and conditions as well as the criteria outlined in the Grants Criteria table. Successful applications are sent to the Waste Authority for formal approval. Once approved, you will receive a grant agreement letter to be signed by the school principal and returned to Waste Wise. You can then begin your project. Feedback will be given to all applicants.

PROJECT GUIDELINES

- Applicants must show explicitly how the project will reduce waste through school practices and changes in behaviour towards waste reduction.
- If you are purchasing waste or recycling collection bins **you must use the same colours** as set by the national standard for mobile waste containers detailed on [page 4 of the Waste Authority Better Bins Kerbside Collection Guidelines](#).

- Projects must be ongoing and long lasting.
- Projects should not be reliant on recurrent funding.
- Applicants are encouraged to contribute resources towards their project, either financial or in kind.

Projects considered inappropriate for funding:

- Projects that do not result in the reduction of waste to landfill or waste education
- Retrospective payments for items that have already been purchased
- Projects that require ongoing funding such as memberships or subscriptions
- Waste and recycling collection services (these are ongoing costs and are budgeted by the school / Department of Education)
- Activities not based in Western Australia
- Payment of wages
- Travel to events
- Student excursions
- Organic gardening projects *except* where they show how the garden will close the loop of organic recycling and facilitate learning about packaging, composting, worm farming and the 3Rs
- Herbicides, pesticides or other products not adhering to the principles of organic gardening

PROJECT ACQUITTAL

Schools that receive a Waste Wise grant will be required to provide an evaluation of their project summarising achievements and expenses using the template provided with the grant agreement letter.

The project should be completed and acquitted within six months for the \$2,200 and \$4,400 grants or 12 months for the \$8,800 grant. Please contact the Waste Wise Schools program if an extension is needed or if the project will not be completed. If the school does not expend the full grant amount they are required to return the remaining funds to the Waste Wise Schools program.

The acquittal process requires the applicant to:

- Complete the evaluation form with a detailed list of items purchased
- Provide copies of all receipts or a financial report generated by the school's registrar.

HOW TO SUBMIT YOUR APPLICATION

Applications must be lodged electronically through the public applications portal on the Waste Authority's website.

www.wasteauthority.wa.gov.au/programs/public-applications/wws

Applicants will be notified once applications have been received by automated email.

For more information or support, please contact the Waste Wise Schools team on

6467 5167 or wastewise@DWER.wa.gov.au

All grant availability is dependent on available funding.

GRANT CONDITIONS

The grant is provided under the following conditions:

1. **If approved, this grant application, as signed by the school representative and school Principal, becomes the formal Grant agreement**
2. The grant is to be used solely for the purpose outlined in your application approved by the Waste Authority during the funding period.
3. Allocation of funding may only be used for the purpose outlined in the approved budget in your grant application.
4. If changes need to be made to the approved budget (e.g. an item is donated or no longer required) it must be requested in writing. **Please keep a copy of your approved budget for this purpose.**
5. If an item costs more than indicated in the approved budget the school must cover the extra cost, or contact Waste Wise to approve taking funds from elsewhere in the budget. **Extra funding will not be given; therefore, it is important your budget is accurate when you apply.**
6. The project should be completed and acquitted within six months for the \$2,200 and \$4,400 grants or 12 months for the \$8,800 grant of receiving an approval letter, not including the Christmas holiday period.
7. If you wish to seek an extension of the funding period you must obtain written approval from the Waste Wise Schools program.
8. Schools can be approved for each grant once.
9. Providing your school with one grant does not entitle a school to any further funding from Waste Wise.
10. Waste Wise will not be held responsible if the approved project is unsuccessful or for any losses or additional costs incurred that are associated with the approved purpose of the project.
11. You must comply with all local, State and Commonwealth regulations applicable to the approved purpose of the project.
12. If you breach any of these terms and conditions we can terminate the arrangement at any time and without giving prior notice.
13. You must provide us with any documents or information relating to the grant or the approved project that we ask for within ten business days of receiving our request.
14. You must meet any payment conditions and/or reporting requirements as specified by the Waste Wise Schools program.

15. You must allow the Auditor General for the State of Western Australia, or an authorised representative, to have access to and examine your records and information concerning this grant.

16. Applicants must acquit any previous Waste Wise grants prior to applying for another grant.

17. The total grant payment provided by Waste Wise includes an amount to cover any liability for GST, if applicable.

[NB 1#: The addition of this clause is a requirement of the Australian Taxation Office]

18. (a) For the purposes of clause 17:

- (i) “GST” means the goods and services tax applicable to any taxable supplies as determined by the GST Act
- (ii) “GST Act” means *A New Tax System (Goods and Services Tax) Act 1999 (Cth)* and includes all associated legislation and regulations
- (iii) the terms “supply”, “tax invoice”, “taxable supply” and “value” have the same meanings as in the GST Act.

(b) If the supply of anything under this Grant Agreement is a taxable supply under the GST Act, the Grant Funds shall be inclusive of GST.

(c) The obligation of the Grantor to pay the GST on any supply by the Organisation under this Agreement is conditional upon the prior issue by the Organisation to the Grantor of a tax invoice, which complies with the GST Act. This provision applies notwithstanding any law to the contrary.

(d) If the parties agree that the Grantor will issue the Organisation with a Recipient Created Tax Invoice (RCTI), then the parties hereby agree that:

- (i) the Grantor will issue a RCTI in respect of GST payable on the supply of the Project and the Organisation will not issue tax invoice in respect of that supply
- (ii) The Organisation warrants that it is registered for the purposes of GST and the Organisation will notify the Grantor in writing if it ceases to be registered for the purposes of GST during the term of this Agreement (“the Term”)
- (iii) the Grantor warrants that it is registered for the purposes of GST and the Grantor will notify the Organisation in writing if it ceases to be registered for

the purposes of GST, or if it ceases to satisfy the requirements of the *GST Act* during the Term

- (iv) the Grantor will indemnify and keep indemnified the Organisation for GST and any related penalty that may arise from an understatement of the GST payable on the supply of the Project for which the Grantor issues a RCTI under this Agreement.

19. Goods and Services Tax: Before funding is approved, the applicant must advise the Department of Environment Regulation whether it is registered or required to be registered for GST purposes. **The organisation must have an ABN registration.**

20. Definitions

- a) **Grant Agreement:** The approved grant application signed by the school representative and the school Principal.
- b) **Grantor:** The Waste Authority through the Waste Wise Schools program, Department of Water and Environmental Regulation.
- c) **Organisation:** The school.
- d) **Project:** The approved project as detailed in the grant application form.

ACKNOWLEDGING THE WASTE AUTHORITY

22. The **grant recipient must acknowledge the Waste Authority** according to the Waste Authority's [Acknowledgement guidelines](#) located on the Waste Authority website.

Acknowledgement must be included in any advertising/media and on any material relating to the project for which the funds were allocated. This includes the Waste Authority and Waste Wise Schools Program's logos and any other information as requested. Contact Waste Wise for more details.

The following statement is the accepted form of acknowledgment and must be hyperlinked to the home page of the Waste Authority website. ***'This (the) project is funded by the State Government through the Waste Avoidance and Resource Recovery Account, and administered by the Waste Authority.'***
