Strategic Waste Infrastructure Planning Project (SWIP)

Overview

Neil Foley
Strategic Waste Infrastructure Planning Working Group
Waste Authority
Perth and Peel
Why is this important?
‘Creating the Right Environment’

**Strategic objective 1**

Initiate and maintain long-term planning for waste and recycling processing, and enable access to suitably located land with buffers sufficient to cater for the State’s waste management needs.
Strategic Waste Infrastructure Planning Working Group (SWIPWG)
Objectives of the SWIP

- Improve planning for waste infrastructure
- Contribute to delivery of the Waste Strategy
- Facilitate the development of a sustainable waste management system (triple bottom line)
Four elements

1. Planning and Approvals
2. Facilities and Sites
3. Technology
4. Governance and Funding
Why change?
Future benefits

• Consistent approach
• Clearer direction
• Certainty for land
• Clarification on roles
Today: Information session

1. Planning and Approvals
2. Facilities and Sites
3. Technology
4. Governance and Funding
