# Western Australian Waste Strategy 'Creating the Right Environment'

## Strategic objective 1

Initiate and maintain long-term planning for waste and recycling processing, and enable access to suitably located land with buffers sufficient to cater for the State's waste management needs.

# Waste and Recycling Infrastructure Plan for the Perth metropolitan and Peel regions (WRIP)

## Aim of the Plan:

- Assist in achieving the targets of the Waste Strategy
- Plan for the waste management infrastructure required to meet the needs of the Perth and Peel '3.5 million city'
- Set out the planning, governance and funding instruments needed to establish this infrastructure

# Strategic Waste Infrastructure Planning Working Group (SWIPWG)
