## Entry requirements

### ESSENTIAL

1. Nomination form. You must return a completed and signed nomination form for each entry category you are entering.
2. The submission document. This is your written response to the assessment criteria and is the main part of your entry that is assessed by the judges. Word limit is strictly as set out in the assessment criteria. Please structure your answers according to the assessment criteria. The use of headings, photos, graphics, tables and charts is encouraged.
3. Images. Please provide up to three high quality images for promotional purposes. These images should be provided as jpegs (300dpi minimum). These images do not form part of the assessment, but will be used for promotional purposes during the awards presentation, publications, and digital/social media. Please do not include your logo in these images – logos will not be accepted.

### OPTIONAL

You may submit other material and documents to support your entry and better illustrate its impact and results. Examples include reports, testimonials, media coverage, analytics, photos, videos and so forth. It is essential that all supporting documentation be referenced within your submission.

### SUBMITTING YOUR ENTRY

Completed entries must be submitted in electronic form only to [wastesortedawards@eventandconferenceco.com.au](mailto:wastesortedawards@eventandconferenceco.com.au) by 5pm (WST) on Monday, 14 February 2022.

## The process

1. **Entries.** Nominees complete and submit their entry, including a signed nomination form, before 5pm (WST) on Monday, 14 February 2022.
2. **Shortlisting.** Judges will assess the entries against the assessment criteria and prepare a shortlist for each awards category.
3. **Screening.** Shortlisted entries will be screened to confirm they comply with the eligibility criteria.
4. **Scheduling.** The primary contact person for each of the shortlisted nominees will be contacted to arrange an interview with the judging panel. Interviews will take place between Monday, 21 March and Thursday, 24 March 2022 in Perth, or via teleconference or video conference if required. A representative from the shortlisted nominees must be available for an interview during this period.
5. **Interviews.** The judges and shortlisted nominees meet to allow the judges to ask questions and gain a greater insight, and so entrants can share more information about themselves and their work.
6. **Assessment.** Following the interviews, the judges will select the finalists and winners of the 2022 WasteSorted Awards.
7. **Announcement.** The winners will be announced at the WasteSorted Awards Gala Dinner on Thursday 12 May 2022.

# Assessment criteria and weightings

## 1. OVERVIEW (30%)

What has been your contribution to waste reduction and reuse, or the improvement of waste outcomes?

What was your activity, product, process, project or approach?

What did you achieve?

What impact have you had (including, for Category 4 entrants, the impact you have had in the region/s)?

### Top tips:

- 500-word limit.
- Be clear and succinct – include the key information you'd like the judges to know about.
- Highlight the key aspects about yourself, your organisation or your initiative with an emphasis on achievements and outcomes.
- Include any high-level facts, figures and results.
- Highlight anything that was new, different or unique about you or your work.

## ASSESSMENT CRITERIA CATEGORIES 1 TO 7 and 10

- 2022 Community Waste Award
- 2022 Commercial and Industrial Waste Award
- 2022 Waste Management Award
- 2022 WA Regional Waste Award
- 2022 Waste Champion
- 2022 Waste Team
- 2022 Local Government Award
- 2022 Waste Avoidance (Events) Award

## 2. DRIVERS (10%)

What inspired you to do what you are doing?

What problem did you solve?

Why did this matter to you?

### Top tips:

- 200-word limit.
- Tell us how you identified a waste problem and why you decided to address it in the way you did.
- Give us an idea of the magnitude of the problem/s you identified.

# AWARDS 2022

## 3. GOALS (10%)

What was your goal?

What did you set out to achieve?

What were your target outcomes?

How were you going to measure your success?

### Top tips:

- 150-word limit.
- Give a clear account of exactly what you were trying to achieve.
- Include any specific targets you identified.

## 4. RESULTS (20%)

Explain what you did.

Describe what was done to transition your idea to reality.

Describe how you achieved your goals.

What have been the results of your work (quantitative and qualitative)?

What has been the impact of your contribution so far?

For Category 4 entrants, what positive difference has your work made to the region/s? What impact has it had on regional Western Australians?

### Top tips:

- 350-word limit.
- Provide evidence of your success – attach any relevant documentation to support your claims. Examples might include data metrics (tonnes /cubic metres of waste), before/after photos of an issue or situation, surveys that track attitudes or behaviour, financial savings or impact, measurable flow-on effects from your activities to other areas.
- Include any information that you consider demonstrates the value of you or your initiative.

## 5. SCALABILITY (10%)

How can your activities, product, process, project or approach be used by others?

How could your work or project extend its reach for a greater contribution to positive waste outcomes?

### Top tips:

- 150-word limit.
- The judges will look at whether your initiative or activities can be adopted beyond your area or organisation and whether you have considered and pursued broader application.

## 6. INNOVATION (10%)

What sets you apart from others?

How is your work different to what had been done before?

What innovative methods or approaches did you use?

What are you most proud of?

### Top tips:

- 200-word limit.
- Innovation is about finding new ways of doing something or a new way to solving a problem.
- Consider more than just innovative equipment or use of technology – have you been innovative in your thinking or approach to a problem instead?
- Describe the way you came up with your ideas and how you thought 'outside the box' to create solutions to waste problems.
