

FOGO Forum

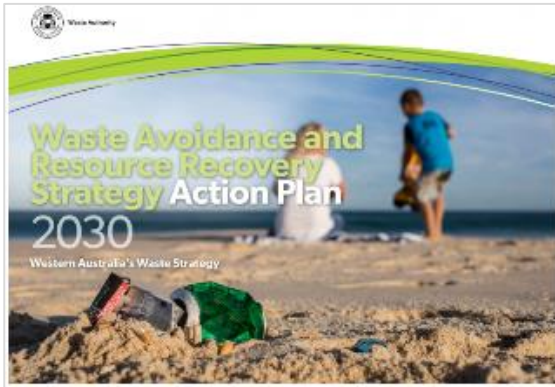

Session 1: Setting the scene

Scott McKenzie, DWER

17 April 2020

Waste Strategy Action Plan 2030

Action 2

A consistent three-bin kerbside collection system, which includes separation of food organics and garden organics from other waste categories, to be provided by all local governments in the Perth and Peel regions by 2025, and supported by the State Government through the application of financial mechanisms.

2.1 FOGO Position Statement

Explains FOGO systems and benefits, and confirms the Waste Authority's support for FOGO collection systems

2.2 Revise Better Bins with a FOGO focus

Revise Better Bins program (Better Bins Plus: Go FOGO)
Develop better practice FOGO kerbside collection guidelines

2.3 Plan for three-bin FOGO system roll out

Develop a plan for the phased introduction of three-bin FOGO kerbside collection systems in Perth and Peel.

2.4 Implement three-bin FOGO system

FOGO Position Statement

Action 2.1

Waste Authority Position Statement: FOGO collection systems

- Explains FOGO systems and benefits
- Explains how FOGO systems support the objectives and targets in the Waste Strategy 2030
- Confirms the Waste Authority's support for FOGO collection systems

Revise Better Bins with a FOGO focus

Action 2.2

Revise Better Bins program (Better Bins Plus: Go FOGO)

- Funding program to support local governments to provide better practice FOGO services.

Develop better practice FOGO kerbside collection guidelines

- Provide details about better practice FOGO collection services
 - Mobile garbage bins
 - Caddies and liners
 - Complementary measures to support the effective implementation of services
- Guidelines apply to standard single-unit dwellings

Plan for three-bin FOGO system roll out

Action 2.3

FOGO Reference Group
